

Slack Storage Boxes

Product Description

The Multilink Slack Storage Box (SSB) is the perfect solution for securely storing your slack cable. The SSB is made from 16 gauge galvanized steel and utilizes all stainless steel hardware. The polyester powder coat provides a durable coating for superior corrosion resistance. Dual, non-captive, cable grommets provide an easy means of inserting existing cable into the SSB while maintaining a reliable seal. Bridge lances on the back of the enclosures give you the ability to secure the slack and a 4" knockout on the bottom of the enclosure allow additional cable entry.
