

Field Installable Fiber Kit

072-395-30

Product Description

Multilink's Field Installable Fiber Optic Connector Kits contain all of the tools necessary to terminate fiber connectors on the job site. These connector kits can be customized to fit your application with your choice of high quality, low loss connector type and quantity. The indoor and outdoor kits are refillable and come with complete instructions and an easy to access work surface. They are a great way to compliment your installation of our Fiber Tap and SpeedFlex products and can be used virtually anywhere in your network.
