

# Slack Caddy

067-204-10

Splice Enclosure  
Bracket Optional

## Product Description

The Slack Caddy is the perfect solution to secure your slack fiber in your network. Outshining the competition on quality, price, and usability, this slack storage station allows for safe storage of fiber optic cable utilizing heavy duty curved, rounded, and welded metal hooks which prevent any sharp metal edges from rubbing against the cable. In addition to the low price point, the Multilink Slack Caddy is designed to ship with a minimal footprint making the delivery to the site even easier.

## Features & Benefits

- Engineered to mount on wooden or metal poles as well as walls
- Powder-coated, 12 gauge steel
- Optional universal mounting bracket that can secure fiber enclosures
- Simple 3-piece assembly
- Rounded hooks to secure fiber, no sharp edges to damage fiber
- Shipped 2 per box for easy handling
