

FF-RM-12X

Product Description

The Multilink Fiber Force FF-RM-12X is a 4 RU 19" or 23" rack mounted termination shelf. The unit has a 12 position termination panel. Fiber jumpers can be routed in either a horizontal or vertical direction due to the integrated fiber jumper guides. The unit can be pre-connectorized for installation savings. The FF-RM-12X is one of a family of units that support fiber termination in rack mount applications.
