

Fiber Pigtails

The Multilink Fiber Pigtails are available in 4, 8 and 12 flatdrop, toneable and non-toneable fiber. Pre-cut to various lengths ranging from 150 feet to 1500 feet, these fiber pigtails allow for no-hassle, quick installation. The Fiber Pigtails are the perfect pair with our Fiber Tap Plus Series, Optima Series, Fiber Splice Terminal, Wall Mounts, and Slim Taps.
